Dear Nanette Lane

BPP University supports the aim of the Skills for Health Bridging Programme, to provide opportunities for capable and motivated members of the Healthcare workforce to progress to health related HE vocational programmes offered by our institution.

BPP University is prepared to consider applications from all candidates with the Bridging Programme combination:

- A Skills for Health approved Level 3 Vocational Qualification in healthcare (for example, a Level 3 Diploma in Clinical Healthcare Support)
- The Level 3 Certificate in Bridging Skills for Higher Education
- English and maths competence specified [please specify]

We confirm that applicants meeting these requirements are eligible to apply for the following programmes:

- BSc (Hons) Nursing (Adult, Child or Mental Health) including the Degree Apprenticeship routes.
- Higher Education Certificate in Health and Social Care

BPP University understands that this letter will be used to:

- Raise awareness of our commitment among healthcare employers and FE providers
- Support employers and FE providers in planning for and establishing arrangements for running the Bridging Programme
- Promote links to our offer online and include case study material in Bridging Programme webinars, online and at promotional events
