

The nationally recognised eLearning accreditation from the UK's Sector Skills Council for Health

Skills for Health

Quality Mark Digital

Quality Mark Digital is the leading eLearning endorsement standard that defines and accredits exceptional eLearning for the healthcare workforce. It provides you the reassurance that the development and delivery of your eLearning packages have been robustly assessed to meet your specific requirements.

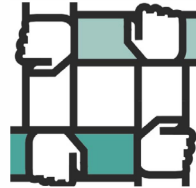

The benefits of achieving eLearning standards of quality

Reassurance

Quality Mark Digital assures employers and the workforce that your digital training provision has met a 'gold standard'.

Network

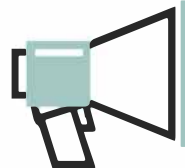

You will become a member of a growing network of like minded organisations who value exceptional practices for eLearning.

Endorsement

As your eLearning is trusted by the UK's Sector Skills Council for Health, you will be included on our Quality Mark Digital database on the Skills for Health website.

Stand Out

By proudly displaying the Quality Mark Digital logo on all course and marketing material, you will become an easy to identify, leading, quality assured company.
