An apprenticeship combines practical training in a job with study

Apprentices are employed and receive a salary

Apprentices are entitled to protected 'off the job' training time as part of their job.

Apprentices may need to undertake maths and English qualifications as part of their apprenticeship. Check the funding rules and with the training provider to confirm requirements.

A qualification taken during an apprenticeship is equal to the same qualification taken elsewhere

Depending on the apprenticeship, upon successful completion, apprentices may be eligible to apply for professional registration
